KSKA Aki-GASSHUKU Nahariya, Israel

Dear Friends,

The following is a description of the excursions we have planned during the KSK Gashoku in Israel scheduled for October 6th until October 9th 2016.

We will conduct day a long excursion on Thursday October 6th throughout the Galilee area and a short excursion to the ancient city of Akko (Acre) on Friday October 7th (the day the Gashoku training commences).

Thursday October 6th.

We will leave Nahariya at 09:00 and return at approximately 21:00

Cost: 100 € Includes transportation costs and entrance to all the sites on the tour lunch box and diner. (Does not include Drinks).

Description of the touring route:

The Galilee Region comprises 1460 square kilometers located in northern Israel. 90% of the region is mountainous. The Galilee's borders are: The Jezreel Valley on its southern flank, the Jordan Valley to the east, The Lebanese border to the north and the Mediterranean Sea on its western flank.

Our first stop will be the Zippori National Park. The archeological site at the Zippori National Park preserves the ruins of a bustling city from the Roman period and even roadways that date back to the Hellenistic period.

In the Zippori Park one can walk along the impressive Cardo (the North-South main street of every Roman city), see the public buildings and private residences that contain over 40 preserved Mosaic floors.

In particular it is worth visiting the ancient water works, the Aqueduct, and the reservoir that served the ancient Roman city.

From the Zippori Park we will continue on the Tabor Winery

Tabor Winery

Tabor winery is situated in the heart of the fertile Galilee. The vineyards and winery lay in the foothills of Mt. Tabor. This unique location provides an ideal climate for growing grapes, as well as different soil types.

These factors, and the highly skilled and dedicated team of the winery, help to make tabor wines special; wines that exhibit the natural grape aromas and flavors.

From the Tabor Winery we will travel to Yardenit

Yardenit is situated on the banks of the Jordan River, at the Southern tip of the Sea of Galilee. Each year Yardenit welcome over half a million tourists and pilgrims, who come to experience the tranquility and spiritual beauty of the waters in which Jesus was baptized by John the Baptist. Jesus practiced and preached across this part of the Holy Land which hosts a plethora of sites with biblical significance.

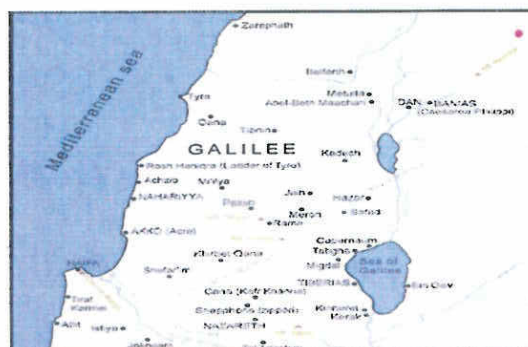

From Yardenit we have a short drive to the thermo-mineral baths at Hamat Gader.

The Hamat Gader Recreation site is built on the remains of the thermal baths and halls that were built by the Romans.

Hamat Gader's facilities and attractions include:

- Thermal baths.
- Sulphur pools
- Water Amusement Park
- Restaurants
- Alligator Park
- Bath & Shower Facilities

From Hamat Gader we will continue relaxed and refreshed to an Arabic diner, At 20:00 will drive back to Nahariya.

Friday October 7th: Excursion to the ancient city of Akko (Acre).

We will depart from Nahariya at 09:00

Cost: 40 € Includes transportation costs and entrance to all the sites on the tour.
(include lunch Does not include Drinks).

Akko is a short, 10 kilometer ride to the south of Nahariya. Declared by UNESCO as a World Heritage Site Akko is saturated and steeped in history from the time of the Crusaders, through the Ottoman Empire all the way up to Napoleon's ill-fated attempt to conquer the city in the 19th century.

We will explore the subterranean city built by the Crusaders, walk through the alleyways built during the Ottoman times and stroll through the colorful market area.

From the Akko Marina we'll board a boat that will take us on a short tour of the city walls as seen from the sea (marine conditions permitting).

We'll conclude our excursion to Akko with a sumptuous lunch at one of the waterfront restaurants that specialize in the local cuisine.

Return to Nahariya will be at approximately 14:00, in time to rest up before the first Gashoku training session.

In order to enable us to efficiently organize , we appreciate you mark your choice ,
